Dear Mr. Carr:

I, as a Trustee of Atlanta Landmarks, Inc., am writing to you in your capacity as Chair of the Atlanta Landmarks, Inc. Nominating Committee.

The "leadership" of Woody White has caused the Fox Theatre embarrassment, humiliation and untold loss of patronage; in my view Mr. White has also led Atlanta Landmarks, Inc. to violate both state and federal law. Therefore, in my opinion, Mr. White has violated his fiduciary duty to Atlanta Landmarks, Inc. and, accordingly, should not be nominated [or elected] to the Presidency or to any other office at Atlanta Landmarks, Inc.'s Annual Meeting in November 2010.

In addition, should your Nominating Committee nevertheless nominate Mr. White to any office, then, again in my opinion, you and your Committee Members will also be in violation of your fiduciary duty to Atlanta Landmarks, Inc.

If you are no longer Chair of the Nominating Committee, I request that you promptly pass this letter on to your successor.

Yours very truly,

Robert L. Foreman Jr.
